Vale Tim Walter – The Hamilton North Primary School staff, students and school community express sincere condolences to Kymahn, Kobi, Shaya, Caden & Jakira on the loss of Tim. Tim was a valued member of our school family and he will be sadly missed.

The grade 3/4 overnight camp to Ballarat was a highlight to begin this week with seven staff and eighty-nine students setting off Monday morning on a learning journey which complemented the work they have been doing around Early Australian Settlement and the Gold Rush Era. Despite not returning with enough gold to set their parents up for retirement or build a swimming pool in the school grounds, all reported having a great time and were eager to retell their experiences.

Today, thirty-one of our grade 3/4 students are representing Hamilton North in ‘Hoop Time’ competition at HILAC where they have the opportunity to showcase their basketball skills as well as interact with peers from other schools. Next Monday the grade 5/6 students will participate in the same competition. We thank Mrs Wilder for her organisation and the parents who have accompanied the students as coaches, scorers and supporters – without parent support we would not be able to provide this opportunity.

Next Wednesday our grade 1/2 students will travel to Warrnambool to explore Flagstaff Hill and consolidate their understanding of the differences between past and present life - another great opportunity to take learning beyond the classroom.

**BOOK DAY - Preliminary Notice – Get Your Thinking Caps On!**

To celebrate Book Week 2015 we will be having a **DRESS UP DAY on Friday 28th August**, where students and teachers are encouraged to come dressed as their favourite book character. Details of specific activities for book week are in the planning stages and details will be provided closer to the date.

Today, a random sample of parents (15 per cent of our school community) will be receiving the annual Parent Opinion Survey. This survey provides the school with vital information – parent feedback – to provide information to direct our future school planning and improvement. We urge those families who receive the survey to take the time to respond and return by Friday, July 31st. Surveys are sent to an independent organisation for collation and reporting. The results will be shared with all parents via the School Council later in the year.
This week’s feature page comes from 5/6F, information report summaries about Australian animals – enjoy!
Regards,
Heather

Nationally Consistent Collection of Data on School Students with Disability

All schools in Australia, including Independent and Catholic schools, will participate in the Nationally Consistent Collection of Data on School Students with Disability this year.

The Data Collection is an annual count of the number of students with disability receiving educational adjustments to support their participation in education on the same basis as students without disability.

All education agencies are now required under the Australian Education Regulation 2013 to provide information on a student’s level of education, disability and level of adjustment to the Australian Government Department of Education and Training.* Data will continue to be de-identified prior to its transfer to the Australian Government Department of Education and Training. No student’s identity will be provided to the Australian Government Department of Education and Training.

The collection of this information from states and territories will inform future policy and program planning in relation to students with disability.

Hamilton North is currently collating our school data. If you have any questions, please do not hesitate to contact me on 55712433 or the Victorian Department of Education and Training Data Collection Hotline on (03) 9651 3621. For questions after 7 August 2015, please call the Australian Government Department of Education and Training on 1300 566 046.

* For more information on Schedule 3—Amendments for the collection of data on students who are persons with a disability Australian Education Regulation 2013 see: http://www.comlaw.gov.au/Details/F2014L01723/Html/Text#_Toc404934419

School Banking
School Banking Day is Wednesday. If you require any further information please see Julie at the office.

Before the end of last term, banking students would have received an information pack about the exciting School Banking competition launching in Term 3. A Prize Portal from another dimension has appeared on Planet Savings, giving students who demonstrate good savings behaviour the chance to win one of hundreds astronomical prizes.

More prizes and chances to win
To activate the Prize Portal, students must simply make three or more School Banking deposits during Term 3. They will then automatically be entered into the competition for a chance to win one of these prizes:

- 75 x iPad minis Wi-Fi 16GB
- 125 x Beats by Dr. Dre Solo™ Headphones
- 200 x $30 Booktopia Gift Certificates

Students can also complete a Money Mission at commbank.com.au/prizeportal to double their chance of winning a prize. Students can complete the Money Mission at any time during Term 3, but are requested to make three deposits by the end of Term 3 to double their chance of winning.
Runners Club has been developed as a general fitness program to help keep our school community fit. It is held on Monday and Wednesday mornings between 8.40am and 8.55am. Children can join in at any time. Parents who would like to help mark the runners passports would be most welcome. Just turn up on the day. Leanne Wilder

WPH District Athletics – New Date 15th September 2015
A new date for the WPH District Athletics has been set for Tuesday 15th September 2015. All students who qualified will be notified in due course by Mrs Wilder. A bus will be available for student transport on that day.

SSV Cross Country Results
Last week Paige Kissel and Mia McGrath headed to Melbourne to compete in the State Cross Country Championships at the very hilly Bundoora Park. Mia competed in the 9-10 years group 2000 metre race and finished in 76th position in a time of 9.00 minutes flat. Paige was in the 11 years age group 3000 metre race and finished 49th in a time of 11.49. Great effort by both our representatives.

More Cross Country News
This weekend Isabella Cutchie will be representing the Hamilton Little Athletics in the State Little Athletics Cross Country in Melbourne. Bella’s race is two km in length and is required to be completed in a time of 10 minutes or less. Good luck Bella.

Aussie Footy – Lightning Premiership Format 2015
This year’s school competition will be in the format of a Lightning Premiership between local schools at Pedrina Park involving Grade 5 & 6 students on Wednesday 12th August from 3pm to 5pm. Students will travel by bus to Pedrina Park and parents will be required to collect their children at the end of the carnival. Permission forms will be sent home shortly.

School Golf
This year’s school golf tournament will involve selected Grade 5 and 6 students. The tournament will be held on Thursday 13th August at Parklands Golf Course. Permission forms will be sent home shortly.
CSEF (Camps, Sports and Excursions Fund) will now be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities. The money will be paid directly to school and be tied to the student. This year funding will be allocated to the costs below, dependent on grade level.

**Camps**
- **Grade 3/4** 20th to 21st July, Sovereign Hill ($138)
- **Grade 1/2** Sleepover at school (Cost in 2014 - $12) Gr 2 - Term 3, Gr 1 - Term 4
- **Grade Prep** After School Activities at school (Cost in 2014 - $6) Term 4

**Swimming – HILAC** - $78 non-members, $60 members
- Grades 3/4L 3/4P 1/2M 1/2D 15th June to 26th June
- Grades 3/4M 5/6F 5/6R 5/6 M 7th September to 18th September

**Excursions – total annual cost will not exceed $40 per student**
Each grade will participate in one or more excursions/incursions throughout the year. Information (including costs) will be sent home prior to the activity and payment must be made before attending. *Dates yet to be determined.*

Given the mid-year implementation of the CSEF for 2015 it is recognised that some families may have already paid up front for camps, sports or excursion expenses in 2015.

Payment will be allocated to any remaining expenses that are incurred by the eligible student during the remainder of 2015. Any unallocated portion of the CSEF not expended by the end of the school year will be carried forward towards camps, sports and excursions expenses for the eligible child in 2016.

Alternate arrangements are available should the child transfer to another Victorian school.

If you hold a valid Health Care Card at the beginning of Term 2 or Term 3 and have not yet applied for this $125 payment, please collect a form from the office.
**UNIFORM ORDER FORM**

This form must be returned to the school office by **Friday 24th July, 2015**

(Term 3, Order #1)

School Performance - Thursday 6th August

Only 2 weeks away!

Times: 1pm & 7pm – students are expected to participate in both performances

IMPORTANT INFORMATION ABOUT TICKETS:

Tickets are selling fast! There are currently only a small number of tickets available for the evening performance at 7pm. There are still tickets available for the afternoon performance at 1pm. Families are advised to purchase their tickets as soon as possible to avoid disappointment.

- Available from PAC Box Office (credit card and EFTpos facilities available)
- Not available from school or on the PAC website.
- Cost: $6 each. (Same cost for both the afternoon and evening performances.)
- HNPS students will not require a seat
- Ticket returns – If you have tickets you no longer need, please return them to the PAC Box Office staff as soon as possible, so they can be made available to another family.

Wednesday 5th August: Students will attend school and travel to and from the PAC by bus for a full dress rehearsal. They will then return to school to continue classes.

Thursday 6th August: Students will attend school and travel to and from the PAC by bus for the afternoon performance. They will then return to school to continue afternoon classes.

Parents will bring their children to the PAC for the evening performance (please do not arrive before 6:30pm) and collect them from the supper room at the conclusion of the show (8:30pm).

Costumes: Notes have been sent home from each classroom outlining costume requirements.

Grand finale coloured tops: Prep – Purple, Grade 1 – dark blue, Grade 2 – light blue, Grade 3 – green, Grade 4 – yellow, Grade 5 – orange, Grade 6 – red.

Photos: Due to privacy laws all students require parental permission for all forms of media release (i.e. photographs, videos, names in press). For personal and legal reasons, many families have not authorised media permission for their children. For these reasons videoing and photography will not be allowed at the PAC during the performance. Please note that the school has organised for photos to be taken at the evening performance by professional photographers. These will be available in students’ profile books.

There will be NO LUNCH ORDERS on Wednesday 5th or Thursday 6th August as we will all be at the PAC.

Grade 5/6f has been working on developing their writing skills through the genre of Information Reports. They also are working on finding key points in texts and summarising information. Today’s work from 5/6F are summaries of their own information reports on Australian animals.

**Tasmanian devil**

![Image of Tasmanian Devil]

**Appearance**

Tasmanian Devils are black with white markings on its rump or chest. Their heads are too big for their bodies. If they are healthy their tails are nice and fat. They are about 30 centimetres (which is about a ruler) high. **Georgia**

**Appearance of a platypus**

![Image of Platypus]

So you may be wondering what does a platypus looks like. Well a platypus is a long animal that is fuzzy with a soft bill, webbed feet and a big tail. A platypus has a bill like a duck a tail like a beaver, and feet like an otter. **Montana**

**Appearance of an ECHIDNA**

![Image of Echidna]

Echidnas have long spines with fur in between along their back. The Echidnas have short powerful limbs with 5 small toes. They have a long tabular snout up to 17cm long. The male Echidnas weigh up to 6kg and the female can weigh up to 5kg. They can get up to 30-45cm long. **Hannah**

**Diprotodon**

Diprotodon’s name means forward tooth because it has two gigantic front teeth, it feeds on scrub and bushes. It was 3m long (10feet) and weighed a little more than 2 tonnes and was largest marsupial ever to live. **Ashley**

**Koalas**

![Image of Koala]

Koalas are an Australian marsupial recognised globally. They have fluffy faces with an ample nose, two tiny eyes, two large fuzzy ears on the side of their head and a fat stomach. Koalas live on the eastern side of Australia and they live in eucalyptus trees (gum trees). They eat eucalyptus leaves from the trees they live in. The koala is facing some difficulties including diseases that can cause death, the eucalyptus trees that they live in being cut down and predators like eagles and snakes. **Charlotte**

**Dingoes**

![Image of Dingoes]

**Location and Habitat**

**Dingoes are found on mainland Australia. Dingoes are absent from Tasmania. The Dingoes were found in Victoria and were a threat to the flora and fauna but are rarely found in the wild now days in this part of Australia.** **Ella M**

Dingoes APPEREANCE

The dingo is a medium sized dog weighing thirteen to twenty four kg. Males are heavier than females. A dingo’s colour varies from sandy beach to black and white. **Kade**

**Eastern Shingle-back**

![Image of Eastern Shingle-back]

The Eastern Shingle-back is a lizard that can be found in Western Australia amongst the leaves. It has a tail shaped like a head. It can be found in many colours ranging from browns to creams. Their scales are layered like roof tiles on a house. They have a long blue tongue like some of the other lizards for example, The Blue Tounge lizard. **Madeleine**
**Echidna**
The echidna has long, sharp spines with fur in between. This covers the whole back and tail of the echidna. They have short, powerful limbs with five toes and strong shovel-like claws. Echidnas have a long snout that extends to 17cm long. A male echidna has a spur on their back ankle. The males weigh 6kg and the females weigh 4.5kg. They can grow from 30cm–45cm.

**ECHIDNAS**
Echidnas are a unique animal with spines on their upper body but not their face. They are normally found in rainforests and dry places. They use their long tubular snout to catch food such as ants and termites. They have lots of threats such as feral cats and more. So, I think we should take more care of the echidna so they don’t become extinct.

**Platypus**
The platypus is a brown furry animal they live in wet bushy areas and eat fish, insects, worms, crayfish and larvae. Platypuses can live for 17 years and can stay under water for 1–2 minutes.

**Dingo**
A dingo is a wild animal. It is normally found in QLD and the outback. Dingoes don’t bark instead they howl like wolves. Dingoes are like dogs but extremely rare.

**Koalas**

Koalas feed on eucalyptus leaves. It eats 200 to 500 grams of leaves per day. That’s why the koala sleeps so much. Did you know that the koala sleeps 18 to 20 hours each day! That’s a long time sleeping!

**Koalas**
Koalas are a cute, furry animal. The threats it faces are dingoes, birds and pythons. You can find koalas in eucalypt forests in Queensland, New South Wales, Victoria and South Australia. Koalas eat eucalyptus leaves. Koalas only eat a few types of gum leaves and live in eucalyptus trees.

Koalas are endangered. Koalas live in eastern Australia and sleep in eucalyptus trees. Koalas are related to the kangaroo and the wombat family. ‘Koalas aren’t bears; they’re not even related to the bears.

**THE TIGER QUOLL**
Tiger Quolls are an Australian animal that’s almost extinct. It’s a small, spotty and furry animal and is the largest remaining marsupial carnivore. They are found in Victoria, Tasmania and Queensland and eat gliders, possums, rabbits or any other animals it can catch.

**Perentie**
Appearance: the perentie is the fourth largest monitor lizard or goanna in Australia. The perentie is a cold-blooded animal and can grow to 2m or longer. They have a forked tongue and a long neck; they have a strong tail, a flat head and powerful claws. Perenties have five long and sharp claws. Perenties weigh up to 6kg; they have spotted skin to help camouflage.
The Red Kangaroo
The red kangaroo is an animal that’s unique to Australia and is a marsupial. Its average size is approximately 1.8m and they live mainly in the central part of Australia. They often have dangerous collisions with cars. **Ethan**

Red kangaroo
The red kangaroo is native to Australia. It is a large powerful kangaroo with a strong tail and mainly red fur. They can do great damage to vehicles when hit on the road. **Clancy**

KOALAS
Koalas look like teddy bears; koalas have soft thick fur, large hairy noises, round ears, no tail and white fur on their stomachs. Their fur is usually grey or brown on their backs. **Sharni**

Sugar glider
Sugar gliders can glide for 90m and can live for 12-15 years! They can also glide with their stretchable skin attached to their front and back legs on each side of their body. **Lucas**

SUGAR GLIDER
These cute and cuddly animals are now classified as an endangered species, largely due to the introduction of feral animals. Their gliding keeps them away from most of their predators. There is more to this animal than we know and I would like to find out more! **Charlie**

Tiger Snakes
Tiger snakes are very fussy with the weather so they like to live near wet lands and creeks mostly in Tasmania, Victoria and all over NSW. The tiger snakes diet is birds, frogs, toads and lizards. Tiger snakes can eat twice their weight each day. A tiger snake will strike anything in its path. **Lachlan**
