Principal’s Message

What a great day we had yesterday! While I have been involved in many athletics days at various schools, yesterday was certainly one of the most enjoyable, engaging and collaborative I have experienced – the weather was perfect too.

The students showed great persistence and sportsmanship, encouraging and supporting each other throughout the day and there was a strong sense of ‘belonging’ between students, teachers, parents and friends alike.

A huge thanks to Leanne Wilder for her overall organisation and the parents and staff who lead events. Also, the parents club for organising the icy pole sales at lunch time – a big hit, and House Captains, Bailey Ryan, Jacob Hill, Raven Fitzpatrick and Obadell Patterson for their student leadership.

The results for our Walk October have been collated and we are pleased to announce that of our 293 students, 266 of them walked/rode or scooted to or from school at least once. In total 3,624 ‘walks’ were recorded. I would like to particularly acknowledge the efforts of Adam Cameron (1/2M), Clancy Wilder (5/6F) and Raven Fitzpatrick (5/6F) who recorded active travel to and from school every day (40 tallies) during October – a great effort and commitment to a healthy lifestyle choice. Recognition also goes to the following students who recorded 30 or above tallies:

- 5/6F - Georgia De Man, Ki Emsley, Sharni Smith and Bella Cutchie
- 5/6M - Jacob Hill, Haydon Hunter and Arabella Konrad-Chazique
- 5/6 R - Caelyn Fitzpatrick, Zane McCallum, Jessica McClaren and Bethany Shelton
- 3/4M - Bradley Coon, Rylan McConachy, Declan Melhuish and Will Baker
- 3/4P - Anoushka De Chelard
- 1/2A - Harlie Manson and Austin Mayfield
- 1/2M - Nehal Sharma, Sebastian Konrad-Chazique and Curtis Gooden
- 1/2D - Sylvester Konrad-Chazique

This week’s feature page comes from Prep S – visuals of the student’s hands on learning tasks as they explore 3D shapes – enjoy!

Heather

On Wednesday 11\textsuperscript{th} November, Scott and Payne competed in the 2015 sports day. Here are the speeches from our Sports Captains.

Thank you to Mrs Wilder, our staff and all those parents and helpers who have made the day a great success. The children really enjoy this day.

Bad luck Payne and great job Scott. We all tried really hard and had a great day. Thank you to all the teachers for supervising and helping at all the events. I’ve really enjoyed being sports captain this year and hope the next captains have such a great time as I did in this role.

Jacob Hill

Congratulations guys, you all did great. Jacob and I would like to say thanks to all the parents and families for coming and supporting us today.

Well done Scott and bad luck Payne. I’ve really enjoyed having the opportunity of being a sports captain this year and its awesome to see our team end the day with a win really makes our day. Well done.

Bailey Ryan

Bad luck Payne. Everyone tried their hearts out and great work Scott you were very good competitors today.

Better luck next year Payne and hopefully you can win. Good luck to our new house captains and I would also like to thank the teachers for helping their classes around the events and encouraging them even if they were secretly barracking for Payne or Scott House. Obadell Patterson

I’d also like to thank Mrs Wilder for all the time she has spent training us for these events for the past few weeks. I think we’ve all improved heaps since the start of the year. With all her special tips and advice we have learnt a lot more about athletics.

I have really enjoyed being this year’s Payne house captain and having the opportunity to represent our school in the 80m hurdles at the regional sports. I am really looking forward to high school and competing in their athletics but I will definitely be sad to leave Hamilton North. Well done to Payne and Scott in this year’s sports day. Raven Fitzpatrick
Throughout term 4 we have been exploring and learning about 2D and 3D shapes. We have learnt how to describe the shapes and how to make and draw some 3D shapes. Here are some photos that show the different activities we participated in to learn about 3D shapes.
