No students are required at school on Monday 1st August
Curriculum Day for Staff Training

Principal’s Message

Dear Parents,

Many thanks to all the many parents who were able to make it along to Parent Teacher Consultation nights on Monday and Tuesday. As we have said before this is a really important opportunity for meaningful communication between home and school on student’s academic and personal and social progress.

If you weren’t able to make it along last week please contact the school, if your child’s teacher has not already contacted you, so that an appointment can be made. This communication sends a very important message to students about the importance of their primary education.

Today many of our grade 4 students will be heading off to the HILAC to compete in the local Hooptime Tournament where they will compete against other schools. Unfortunately we can’t send as many teams as we had planned to because there are more teams than the organisers can fit into the draw. This has meant that the Grade 3s will miss out this year but they will definitely get their go next year.

On Monday it will be the turn of the Grade 5/6s when they have their Hooptime Tournament. Good luck to all our basketball players. Thanks to Mrs Willder for her organisation and to all our parents who have put their hand up to help with coaching and scoring at both events.

The school is going to be a bit quieter next week. On Monday the four Grade 2/3 classes will be heading up to Halls Gap. This is an excursion that fits into their study of Koori Culture
and includes a visit to the Brambuk Cultural Centre where they will do a selection of different activities. On Tuesday the Grade 5/6s will be heading off down the coast to Kangarooibie for the Camp. I know they will have a great time and get a lot out of the experience. I have to say that Kangarooibie is one of the best camps I have been on! Let’s hope the weather improves and they get a few dry days. We look forward to hearing about how they get on.

Please note that because so many students and teachers will be away on Camp, there will be no Assembly on Friday 29th July.

A reminder again that Monday 1st August is a Pupil Free Day. Teachers will be at work on that day looking at the new Victorian Curriculum which comes into force in 2017.

Have a good weekend everybody.

Regards,
Don Beaton

Grade 5/6F Newsletter Item

Grade 5/6F are studying the History of the Modern Olympics and writing an information report about each of the modern Olympic Games. An important skill when researching and reading is being able to detect important points and summarising the information. Following are the student’s summaries of the important events of each of the modern Olympics:

1896 Charlotte
Held in Athens, Greece, the 1896 Olympics was a revival of the Ancient Olympic Games. It was the first Olympiad. Australia won two medals, which were received by Edwin Flack, who decided to compete (although he originally came as a spectator!). Those were the only two medals won by Australia.

1900 Shaya
The 1900 Olympics were held in Paris, France. It was the 2nd modern Olympics. The Eiffel tower was newly built which cost thousands, so Paris struggled to pay for the Olympics. Australia won 2 gold 0 silver and 3 bronze medals, which placed them 7th on the leader board.

1904 Nick R-T
The 1904 Olympics were held in Chicago, Illinois, U.S.A, and was the 3rd Olympiad. The oldest participant was Thomas Scott, at 71 years and 260 days. The youngest was George Passmore at 14 years and 312 days. Officially we had 2 athletes in 1 sport, but won NO medals, however...we UNOFFICIALLY had a 3rd athlete who won 3 silver and 1 bronze, his name was Frank Baily and he became a naturalized American in 1906.

1908 Ryan
The 4th Olympics was held in Great Britain {London, England}. It was held from the 27th of April to the 31st of October 1908. Did you know that the marathon length was changed from 42km to 42.195km just to finish under the royal box? Great Britain won. Australia won 1 gold, 2 silver and 1 bronze.

1912 Sharni
The Olympics in 1912 were held in Stockholm, Sweden. There were 28 nations and 2,408 competitors including 48 women. Stockholm was the only bid for the games. The 1912 Olympics were one of the most successful Olympics to date. The youngest gold medallist was Greta Carlson who was 14 years old.

1916 No Olympics due to WW1

1920 Kane
The 1920 Olympic games were held in Antwerp, Belgium. In these Olympics more than 2,600 athletes (including more than 60 women) participated in the Games. Not many people could buy tickets to watch and only twenty-nine countries participated.
1924 Abbey
Held at: Paris, France! This is the second time Paris has been the host of the Olympics because they didn’t feel like they represented well last time in 1900. At these Olympics the country with the most medals was the United States with 99 medals!! Australia achieved 4 gold, 3 silver and 4 bronze medals with a total of 11 altogether, which was still a great achievement. 45 countries were participating and a total of 3,100 men and 136 women participants. The oldest was 61 years of age and youngest 11!

1928 Mya
The 1928 Olympics were held in Amsterdam, Netherlands. Did you know that the oldest participant was Arthur Von Pongracz, who was 64 years and 301 days old? The youngest participant was Luigina Giavoti, who was 11 years and 46 days old. The 1928 Olympics was the 9th Olympiad. Australia won 1 gold, 2 silver and 1 bronze.

1932 Madeleine
The 1932 Olympiad was held in Los Angeles, in the U.S.A. The Coliseum Olympic stadium stupefied the whole world. Its scale and quality were beyond anything that had come before, creating the first Games we would recognize today. The crowds were also without precedent, starting with the 100,000 people who attended the Opening Ceremony. This Olympiad was the first one to feature an Olympic Village where the people competing (all 1334 of them) would stay and rest. Australia won 3 gold, 1 silver and 1 bronze medal.

1936 Arabella
Were held in Berlin, Germany. Hitler opened the games of the 11th Olympiad. The Berlin games were the first to introduce the torch relay where the contestants ran from Olympia in Greece, to the site where the Olympics were held.

1940 No Olympics due WW2

1944 No Olympics due to WW2

1948 Montana
The 1948 Summer Olympics also known as the XVI Olympiad was held in London, Great Britain, at Wembley Stadium from the 29th of July - 14th August. A person by the name of John Mark ignited the torch. He was chosen because of his good looks! Australia won 2 Gold, 0 Silver and 0 Bronze which put them 8th on the ladder.

1952 Declan
The 15th Olympic Games where held in Helsinki, Finland. Long-distance runner Emil Zátopek produced a brilliant display of running. He won the 5,000m, successfully defended his 10,000m title and then took his third gold medal in his first-ever marathon to complete a triple that remains unique in Olympic history. Australian’s got 6 gold, 2 silver, 3 bronze and a total of 11 medals.
1956 Portia
In 1956 the Olympics were held on the 22nd of November – 8th of December in Melbourne, Australia - as well as Stockholm Switzerland. This was because of Australia's strict quarantine laws, we could not let a disease come into our nation and the equestrian events had to be held elsewhere. We Australians came third on the medal tally with thirteen gold, eight silver and fourteen bronze medals, from 325 proud Australian athletes. The men’s polo finals had to be stopped while the athletes were playing due to there being too much blood in the water!

1960 Gemma
The 1960 Olympic Games (also known as the XVII Olympiad) were held in Rome, Italy from August 25th to September 11th, 1960. There were many firsts at these Olympics, including the first to be fully televised, the first to have the Olympic Anthem, and the first to have an Olympic champion run in bare feet. Australia came fifth with 8 gold 8 silver and 6 bronze.

1964 Millie
The 18th Olympiad was held in Tokyo, Japan. Australia won six gold medals, two silver medals and ten bronze medals. The 1964 Olympics were meant to be in Asia so Japan won the right because they were supposed to do the 1940 Olympics, which were cancelled because of World War 2.

1968 Allie
The 1968 Olympics where held in Mexico City, Mexico. We Australians came 9th with 5 gold medals, 7 silver medals and 5 bronze. These were the 16th Modern Olympic Games. An interesting fact about the games was that two black America athletes, named Tommy Smith and John Carlos, each raised a black-gloved fist during the anthem and kept them raised until it had finished. After that Smith, Carlos and Australian silver medallist Peter Norman all wore human rights badges on their jackets; they called this the “black power salute”.

1972 Travis
The 1972 Olympics were held in Munich, West Germany. Australia won 35 medals in 1972. There were 7465 people participating 1435 of them were women

1976 Madeleine
The 21st Olympics – Montreal, Canada had some quite outstanding happenings, making them well remembered. When the games finally commenced the crowd was overwhelmed and swept off their feet by a gymnast from Romania (She was 14 years old). When competing she scored perfect tens and was rewarded with 3 gold medals. They estimated the 21st Olympics would cost $310 million, but it came to a total of $1.5 billion. The increased cost was because of the security (because of the terrorist attacks last Olympics) and other problems. Australia came thirty-second with zero gold, one silver and four bronze medals, meaning they had to step up their game if they wanted to win gold at the next Olympics (which they did).

1980 Grace
These Olympics were held in Moscow, Soviet Union. Australia won 2 gold 2 silver 5 bronze. Sixty-one nations boycotted because Russia broke an agreement over attacks on Afghanistan.
1984 Riley
The 1984 XXIII Olympiad was held in Los Angeles, U.S.A. There were 140 nations with 6829 athletes. U.S.A won with the most medals – 174; 83 of which were gold. Australia wasn’t so lucky and only gained 24 medals - 4 being gold. In the ceremony Bill Suitor flew into the stadium on a jetpack.

1988 Chester
In the 1988 summer Olympics Australia won 3 gold, 6 silver and 5 bronze medals. The Games were held in Soeul, South Korea. Also, did you know that the 1988 Summer Olympics were known for the worst opening in the history of the Olympics?

1992 Jordan
The 1992 Olympics were in Barcelona, Spain. The Olympic flame lighter was Antonio Robello he was the first Paralympian to light the Olympic flame. It was the 25th Olympiad. Australia won 27 medals including nine gold medals.

1996 Joey
The 1996 Olympics were held in Atlanta USA. Something cool was that it was the 2nd time pro basketball players were allowed to play in the Olympics. My Olympiad was the 26th and the Australian medal count was: 16 gold, 25 silver and 17 bronze.

2000 Nic G
The 2000 Olympics games were named the best Olympics ever by the President of the International Olympic Committee. Australia won 58 medals overall, consisting of 16 gold 25 silver and 17 bronze. These Olympics were held in Sydney.

2004 Zane
The 28th Olympics were held in Athens, Greece. Australia won 17 gold medals 16 silver 17 bronze. An interesting fact of my Olympics is that it cost Athens $15 billion dollars to run.

2008 Leila and Montana
The 2008 Olympics, also known as the XXIX was held in Beijing, China, from the 8th of August – 24th of August. The 2008 Olympic Games was the last to play Baseball and Softball, when in 2012 it was taken out of the Olympic Program. The mascots in 2008 where made up Chinese, mythical creatures, to match each colour of the Olympic rings.

2012 Taylor
In 2012 the London (England) Olympics were held. The Australian medals were 7gold, 16 silver and 12 bronze. Did you know that over 1,800,000 spectators went to these Olympics?
