### **SCOPE**

This policy addresses how Hamilton North Primary School aims to prevent, address and respond to student bullying behaviour. Hamilton North Primary School recognises that there are many other types of inappropriate student behaviours that do not meet the definition of bullying which are also unacceptable at our school. This policy applies to all school activities, including camps and excursions.

## **POLICY**

### **Definitions**

#### **Bullying**

In 2018 the Education Council of the Council of Australian Governments endorsed the following definition of bullying for use by all Australian schools:

*Bullying is an ongoing and deliberate misuse of power in relationships through repeated verbal, physical and/or social behaviour that intends to cause physical, social and/or psychological harm. It can involve an individual or a group misusing their power, or perceived power, over one or more persons who feel unable to stop it from happening.*

*Bullying can happen in person or online, via various digital platforms and devices and it can be obvious (overt) or hidden (covert). Bullying behaviour is repeated, or has the potential to be repeated, over time (for example, through sharing of digital records)*

*Bullying of any form or for any reason can have immediate, medium and long-term effects on those involved, including bystanders. Single incidents and conflict or fights between equals, whether in person or online, are not defined as bullying.*

Bullying has three main features:

- It involves a misuse of power in a relationship
- It is ongoing and repeated, and
- It involves behaviours that can cause harm.

Bullying can be:

1. *direct* physical bullying – e.g. hitting, tripping, and pushing or damaging property.
2. *direct* verbal bullying – e.g. name calling, insults, homophobic or racist remarks, verbal abuse.
3. *indirect* bullying – e.g. spreading rumours, playing nasty jokes to embarrass and humiliate, mimicking, encouraging others to socially exclude a person and/or damaging a person's social reputation or social acceptance.

*Cyberbullying* is direct or indirect bullying behaviours using digital technology. For example via a mobile device, computers, chat rooms, email, social media, etc. It can be verbal, written and include images, video and/or audio.

#### **Other distressing and inappropriate behaviours**

Many distressing and inappropriate behaviours may not constitute bullying even though they are unpleasant. Students who are involved in or who witness any distressing and inappropriate behaviours should report their concerns to school staff and our school will follow the Student Engagement and Wellbeing Policy.

*Mutual conflict* involves an argument or disagreement between people with no imbalance of power. In incidents of mutual conflict, generally, both parties are upset and usually both want a resolution to the issue. Unresolved mutual conflict can develop into bullying if one of the parties targets the other repeatedly in retaliation.

*Social rejection or dislike* is not bullying unless it involves deliberate and repeated attempts to cause distress, exclude or create dislike by others.

*Single-episode acts* of nastiness or physical aggression are not the same as bullying. However, single episodes of nastiness or physical aggression are not acceptable behaviours at our school and may have serious consequences for students engaging in this behaviour. Hamilton North Primary School will use its Student Engagement and Wellbeing Policy to guide a response to single episodes of nastiness or physical aggression.

*Harassment* is language or actions that are demeaning, offensive or intimidating to a person. It can take many forms, including sexual harassment and disability harassment. Harassment of any kind will not be tolerated at Hamilton North Primary School and may have serious consequences for students engaging in this behaviour. Hamilton North Primary School will use its Student Engagement and Wellbeing Policy to guide a response to students demonstrating harassing behaviour, unless the behaviour also constitutes bullying, in which case the behaviour will be managed in accordance with this Bullying Prevention Policy.

## **BULLYING PREVENTION**

Hamilton North Primary School has a number of programs and strategies in place to build a positive and inclusive school culture. We strive to foster a school culture that prevents bullying behaviour by modelling and encouraging behaviour that demonstrates acceptance, kindness and follows the True North Values of Respect, Cooperation, Responsibility, Empathy and Integrity.

Bullying prevention at Hamilton North Primary School is proactive and is supported by research that indicates that a whole school, multifaceted approach is the most effective way to prevent and address bullying. At our school:

- We have a positive school environment that provides safety, security and support for students and promotes positive relationships and wellbeing.
- We strive to build strong partnerships between the school, families and the broader community that means all members work together to ensure the safety of students.
- Teachers are encouraged to incorporate classroom management strategies that discourage bullying and promote positive behaviour.
- In the classroom, our social and emotional learning curriculum teaches students what constitutes bullying and how to respond to bullying behaviour assertively. This promotes resilience, assertiveness, conflict resolution and problem solving.
- We seek to empower students to be confident communicators and to resolve conflict in a non-aggressive and constructive way.
- Students are encouraged to look out for each other and to talk to teachers and older peers about any bullying they have experienced or witnessed.

For further information about our engagement and wellbeing initiatives, please see our Student Engagement and Wellbeing policy.

## **INCIDENT RESPONSE**

### **Reporting concerns to Hamilton North Primary School**

Bullying complaints will be taken seriously and responded to sensitively at our school.

Students who may be experiencing bullying behaviour, or students who have witnessed bullying behaviour, are encouraged to report their concerns to school staff as soon as possible.

Our ability to effectively reduce and eliminate bullying behaviour is greatly affected by students and/or parents and carers reporting concerning behaviour as soon as possible, so that the responses implemented by Hamilton North Primary School are timely and appropriate in the circumstances.

We encourage students to speak to their class teacher, however, students are welcome to discuss their concerns with any trusted member of staff.

Parents or carers who develop concerns that their child is involved in, or has witnessed bullying behaviour at Hamilton North Primary School should contact the Principal or Wellbeing Leader.

### **Investigations**

When notified of alleged bullying behaviour, school staff are required to:

1. Record the details of the allegations in Clear Track.
2. Inform the Principal and or Wellbeing Leader.

The Principal and or Wellbeing Leader in partnership with the student's class teacher is responsible for investigating allegations of bullying in a timely and sensitive manner. To appropriately investigate an allegation of bullying, they may:

- speak to those involved in the allegations, including the target/s, the students allegedly engaging in bullying behaviour/s and any witnesses to the incidents
- speak to the parents of the students involved
- speak to the teachers of the students involved
- record all discussions for future reference
- obtain written statements from all or any of the above.

All communications in the course of investigating an allegation of bullying will be managed sensitively. Investigations will be completed as quickly as possible to allow for the behaviours to be addressed in a timely manner.

The objective of completing a thorough investigation into the circumstances of alleged bullying behaviour is to determine the nature of the conduct and the students involved. A thorough understanding of the alleged bullying will inform staff about how to most effectively implement an appropriate response to that behaviour.

Serious bullying, including serious cyberbullying, is a criminal offence and may be referred to Victoria Police. For more information, see: [Brodie's Law](#).

## Responses to bullying behaviours

When the Principal and or Wellbeing Leader has sufficient information to understand the circumstances of the alleged bullying and the students involved, a number of strategies may be implemented to address the behaviour and support affected students in consultation with the Principal and or Wellbeing Leader.

There are a number of factors that will be considered when determining the most appropriate response to the behaviour. When making a decision about how to respond to bullying behaviour, Hamilton North Primary School will consider:

- the age and maturity of the students involved
- the severity and frequency of the bullying, and the impact it has had on the target student
- whether the student/s engaging in bullying behaviour have displayed similar behaviour before
- whether the bullying took place in a group or one-to-one context
- whether the students engaging in bullying behaviour demonstrates insight or remorse for their behaviour
- the alleged motive of the behaviour, including any element of provocation.

The school may implement some of the following responses to bullying behaviours:

- Offer counselling support to the target student or students, including referral to [insert i.e. the Student Wellbeing Leader, SSS, external provider.]
- Offer counselling support to the students engaging in bullying behaviour, including referral to Student Wellbeing Leader, SSS, external provider.
- Offer counselling support to affected students, including witnesses and/or friends of the target student, including referral to Student Wellbeing Leader, SSS, external provider.
- Facilitate a restorative practice meeting with all or some of the students involved. The objective of restorative practice is to repair relationships that have been damaged by bringing about a sense of remorse and restorative action on the part of the person who has bullied someone and forgiveness by the person who has been bullied.
- Facilitate a Student Support Group meeting and/or Behaviour Support Plan for affected students.
- Prepare an Individual Management Plan restricting contact between target and students engaging in bullying behaviour.
- Monitor the behaviour of the students involved for an appropriate time and take follow up action if necessary.
- Implement year group targeted strategies to reinforce positive behaviours.
- Implement disciplinary consequences for the students engaging in bullying behaviour, which may include removal of privileges, removal from the yard for a given period, restricted yard access, suspension and/or expulsion consistent with our Student Engagement and Wellbeing policy, the Ministerial Order on Suspensions and Expulsions and any other relevant Department policy.

Hamilton North Primary School understands the importance of monitoring and following up on the progress of students who have been involved in or affected by bullying behaviour. Where appropriate, school staff will also endeavour to provide parents and carers with updates on the management of bullying incidents.

The class teacher in partnership with the Student Wellbeing Leader and Principal are responsible for maintaining up to date records of the investigation of and responses to bullying behaviour.
