

Hamilton North Primary School Statement

Requests for Curriculum Contributions are made at the beginning of each school year. There will be times when a student will need to withdraw from the school during the year.

Hamilton North Primary School encourages all students to participate in extra-curricular activities including attendance at camps, excursions/incursions and the swimming program. Hamilton North Primary School must ensure that the provision of services for students (ie excursions / camps / visiting groups / services) is conducted on a financially viable basis.

There will be occasions when for whatever reason(s) a student needs to withdraw from an activity after they have made payment to the school for all or part of that activity.

Purpose

To provide a fair and equitable refund system.

Implementation

Where payment in full of the suggested amount of \$130 has been made for Curriculum Contributions, refunds will be made on the following basis:

- Where the child withdraws from the school in Term One the refund will be 75% of the amount paid
- Where the child withdraws from the school in Term Two the refund will be 50% of the amount paid
- Where the child withdraws from the school in Term Three the refund will be 25% of the amount paid
- Where the child withdraws from the school in Term Four no refund will be given

Students withdrawing from camps, excursions and the swimming program will not automatically be entitled to a refund.

- Where the school is charged for the provision of a program or service as a bulk cost and not a 'per head' cost, no refund will be given
- Where a 'per head' fee is charged, refunds may be given
- Where there is a combination of a bulk charge and a 'per head' charge in an excursion (eg a visit to the zoo where the bus charge is bulk cost and the entry fee is a 'per head' cost) only the 'per head' component can be refunded
- Refunds will be given on presentation of a medical certificate, but may also be considered under special circumstances at the Principal's discretion
- Deposits paid by families for school camps and swimming (if charged) will be non-refundable unless either cancelled by the school or at the Principal's discretion

- The ‘Camps, Excursions/Incursions & Swimming Refund Request’ form must be completed for all refunds within 14 days of the event. The form will be available from the office
- The family may choose to have a refund allocated to any outstanding charges on the family statement or deposited to a nominated bank account
- Students who leave camp early due to unforeseen circumstances will be given a partial refund at the discretion of the Principal
- Students who are collected from camp at the request of the school will not be entitled to a refund

Evaluation

The Principal and Business Manager will monitor the distribution of refunds in line with current DET policy and School Council will be kept informed of any changes that are required to be made.
